

To all CMSA Members

As the devastating fires that roared through Northern California have destroyed over 8,000 structures, with many of those being residential homes, thousands of people have lost all of their life-long possessions. There has been a phenomenal outpouring of donations, aid and support from all over the country. As many of these displaced families are finding homes and dwellings we are hearing that most of them need furniture to help them get through bridging the gap as they begin to rebuild their lives.

Redwood Moving & Storage and Corazon Healdsburg (a local nonprofit) in coordination with other local movers and volunteers have developed a plan to help those in need. We will be collecting clean and usable furniture at 397 Aviation Blvd. in Santa Rosa starting today, November 16 and through the next few weeks. The furniture will be available for free pick up to the fire victims only beginning next Saturday, November 25. If any of you should have any items that may be of help and can arrange for delivery they would all be greatly appreciated. Please be sure to call or e-mail Bob Fraser of Redwood Moving & Storage at (707)483-1838 - Bob@redwoodmoving.com or Ariel Kelley of Corazon Healdsburg at (541) 914-8889 - ariel@carazonhealdsburg.org if you have any questions or would like to schedule a pick up. Thank you
