MACY MOVERS HELPS CMSA

(CMSA, Cerritos, CA) – Macy Movers of Oakland, California, generously donated their services to the California Moving and Storage Association (CMSA) this April to help the CMSA prepared for their 92nd Annual Convention.

Macy Movers shipped several boxes packed with convention materials to the MontBleu Casino Resort and Spa in Lake Tahoe, Nevada, where the CMSA held their convention. Over two hundred delegates from the moving and storage industry benefited from the efforts of Macy Movers. After the convention wrapped up, Macy Movers shipped the remaining items back to the CMSA's offices in Cerritos.

Macy Movers has demonstrated a long-term commitment to the CMSA, assisting with their convention materials for over fifteen years.

The California Moving and Storage Association (CMSA) is a non-profit trade association representing over 450 licensed and insured movers operating in California. The CMSA also includes more than 140 associate member companies. Established in 1916, the CMSA is comprised of 12 Chapters strategically located throughout California. Every year CMSA Chapters work hard to organize fundraisers to raise money for the CMSA Scholarship Fund.
