May 25, 2016 — FOR IMMEDIATE RELEASE

CMSA 2016 SCHOLARSHIP AWARD WINNERS ANNOUNCED

CERRITOS, Calif. (May 25, 2016) — This year, the California Moving & Storage Association (CMSA) will be awarding up to \$55,000 in college and vocational scholarships. The scholarship winners were announced during the 2016 CMSA Gold Medal Luncheon at the Resort at Squaw Creek on Saturday, May 14. Scholarship recipients who attended the event came forward to thank the membership for their fundraising efforts and spoke about their academic endeavors.

The scholarship program is eligible to California residents who are employees of or dependent children/grandchildren of a CMSA member. From the many qualified students that have submitted their applications, a third-party independent evaluator reviewed and selected the best students to receive these scholarships.

The California Moving & Storage Association (CMSA) is a nonprofit trade association representing more than 375 licensed and insured movers operating in California. The CMSA also includes more than 195 associate member companies. Established in 1916, the CMSA is comprised of 12 chapters strategically located throughout California. Every year, CMSA chapters work hard to organize fundraisers to raise money for the CMSA Scholarship Fund.
