### **CMSA 2017 SCHOLARSHIP AWARD WINNERS ANNOUNCED**

CERRITOS, Calif. (May 24, 2017) — This year, the California Moving & Storage Association (CMSA) will award \$47,000 in college and vocational scholarships. The scholarship winners were announced during the 2017 CMSA Oasis Awards Luncheon at The Westin Mission Hills Golf Resort & Spa on Saturday, May 6, 2017. Scholarship recipients who attended the event came forward to thank the membership for their fundraising efforts and spoke about their academic endeavors.

The scholarship program is eligible to California residents who are employees of or dependent children/grandchildren of a CMSA member. From the many qualified students that have submitted their applications, a third-party independent evaluator reviewed and selected the best essays from the applicants to receive these scholarships.

The California Moving & Storage Association (CMSA) is a nonprofit trade association representing more than 375 licensed and insured movers operating in California. The CMSA also includes more than 195 associate member companies. Established in 1916, the CMSA is comprised of 12 chapters strategically located throughout California. Every year, CMSA chapters work hard to organize fundraisers to raise money for the CMSA Scholarship Fund.
