May 8, 2018 — FOR IMMEDIATE RELEASE

CMSA 2018 SCHOLARSHIP AWARD WINNERS ANNOUNCED

CERRITOS, Calif. (May 8, 2018) — In celebration of its 100th Annual Convention, the California Moving & Storage Association (CMSA) announced that up to \$100,000 in college scholarship money will be awarded this year. This will bring the CMSA Scholarship Program total distribution amount to more than \$1 million!

This year's scholarship winners were announced during the 2018 CMSA Gold Rush Awards Luncheon at the Hyatt Regency Sacramento on Saturday, April 21, 2018. Scholarship recipients who attended the event came forward to thank the membership for their fundraising efforts and spoke about their academic endeavors.

The scholarship program is eligible to California residents who are employees of or dependent children/grandchildren of a CMSA member. From the many qualified students that have submitted their applications, a third-party independent evaluator reviewed and selected the best essays from the applicants to receive these scholarships.

The California Moving & Storage Association (CMSA) is a nonprofit trade association representing more than 375 licensed and insured movers operating in California. The CMSA also includes more than 195 associate member companies. Established in 1916, the CMSA is comprised of 12 chapters strategically located throughout California. Every year, CMSA chapters work hard to organize fundraisers to raise money for the CMSA Scholarship Fund.
