June 8, 2023 — FOR IMMEDIATE RELEASE

CMSA AWARDS \$47K IN SCHOLARSHIPS FOR 2023

CERRITOS, Calif. (June 8, 2023) —The California Moving & Storage Association (CMSA) announced that the Association’s Scholarship Program is awarding \$47K in scholarship money to deserving college students this year.

A total of 23 students won scholarships. The winners were acknowledged at CMSA’s 105th Annual Convention held at the Omni Rancho Las Palmas Resort & Spa in Rancho Mirage, California on Saturday, May 20, 2023, during the Oasis Awards Luncheon.

Scholarship recipients who attended the event came forward to thank the membership for their fundraising efforts and spoke about their academic endeavors.

The scholarship competition is open to California residents who are employees or dependent children/grandchildren of a CMSA member. A third-party independent evaluator reviews and selects the best essays from the many qualified students that submit their applications.

The California Moving & Storage Association (CMSA) is a nonprofit trade association representing more than 375 licensed and insured movers operating in California. The CMSA also includes more than 195 associate member companies. Established in 1918, the CMSA is comprised of 12 chapters strategically located throughout California. Every year, CMSA chapters work hard to organize fundraisers to raise money for the CMSA.
