CMSA AWARDS \$85K IN SCHOLARSHIPS FOR 2019

CERRITOS, Calif. (May 17, 2019) —The California Moving & Storage Association (CMSA) announced that the Association's Scholarship Program is awarding \$85K in scholarship money to deserving college and vocational students this year.

A total of 43 students won scholarships. The winners were acknowledged at CMSA's 101st Annual Convention held at the Paradise Point Resort & Spa in San Diego, California on Saturday, April 27, 2019 during the Excellence Awards Luncheon.

Scholarship recipients who attended the event came forward to thank the membership for their fundraising efforts and spoke about their academic endeavors.

The scholarship program is eligible to California residents who are employees of or dependent children/grandchildren of a CMSA member. From the many qualified students that have submitted their applications, a third-party independent evaluator reviewed and selected the best essays from the applicants to receive these scholarships.

The California Moving & Storage Association (CMSA) is a nonprofit trade association representing more than 375 licensed and insured movers operating in California. The CMSA also includes more than 195 associate member companies. Established in 1916, the CMSA is comprised of 12 chapters strategically located throughout California. Every year, CMSA chapters work hard to organize fundraisers to raise money for the CMSA Scholarship Fund.
