May 17, 2022 — FOR IMMEDIATE RELEASE

CMSA AWARDS \$45K IN SCHOLARSHIPS FOR 2022

CERRITOS, Calif. (May 17, 2022) —The California Moving & Storage Association (CMSA) announced that the Association’s Scholarship Program is awarding \$45K in scholarship money to deserving college students this year.

A total of 22 students won scholarships. The winners were acknowledged at CMSA’s 104th Annual Convention held at the Peppermill Resort Spa Casino in Reno, Nevada on Saturday, April 23, 2022, during the Saturday Awards Luncheon.

Scholarship recipients who attended the event came forward to thank the membership for their fundraising efforts and spoke about their academic endeavors.

The scholarship program is eligible to California residents who are employees or dependent children/grandchildren of a CMSA member. From the many qualified students that have submitted their applications, a third-party independent evaluator reviewed and selected the best essays from the applicants to receive these scholarships.

The California Moving & Storage Association (CMSA) is a nonprofit trade association representing more than 375 licensed and insured movers operating in California. The CMSA also includes more than 195 associate member companies. Established in 1916, the CMSA is comprised of 12 chapters strategically located throughout California. Every year, CMSA chapters work hard to organize fundraisers to raise money for the CMSA Charity Fund.
